**Subject:** Thank you

Hi there

Just wanted to say a big thank you for looking after the Microsoft party last week. Everyone at the Abbotsford was so welcoming, friendly, helpful. I especially liked the good luck message on our menus – that was a very nice touch. Thank you as well for dealing so efficiently with all the last minute changes to our plans.

The Rob Roy Challenge went well and we raised £12,000 for charity. Some of my team mates completed the course in 5 hours, but it took me a whole 12 hours from start to finish!

Thanks again

Beth
